The office nickel prank episode

So Marge is with a Homer she wants, also known as Detective Homer. Suddenly, Milhouse arrives and Bart asks him to defend him, but Milhouse tells toys he is not well treated by Bart, and he also has feelings. The family goes to Dr. 's house. Hibbert and the doctor explains that you can not make Bart back. However, Nelson told her that there are also other alternatives. Homer is resting on his net and checks his hormalt if he should vote. Unfortunately, the car hit Ralph, killing him. Once this time, Lisa hits her mirror, which then crushed her. Soon the Knights of the Apocalypse arrive, with flags that say a Fomea e, a Guerra a e and a Case from the tree of horror xxi e! In this animated segment by CGI, Bart chose some toys to donate. Lisa says that the only way is to return to the machine and send the homers back to its dimensions. Later, Bart plays with the radioactive man and pretends that he has to save the city from a bomb. Marge calls Homer and asks why he is not voting. He dreams that he is voting, but hesitate who to vote for president. Everything is exactly the same, and Lisa gets a step back and the car crosses the wall. Bart is surprised and says he would not have tortured them if he knew they had feelings. As a game checkpoint, Lisa revives one more time. There are 3 segments. Suddenly they disappear, after Lisa thanks him for being able to complete nine years, and Nelson told him that he did not learn anything. Lisa came back to life one more time. Nelson then arrives at Lisa's room, where he told Ralph to take two steps back. Homer vote for his dream, but Marge wakes him up. Lisa asks Homer because, and if he remembers what happened in the last 4 years. Suddenly she returns to life at her desk, where she was writing. The rest of the Simpsons, then wish you happy birthday. Three alternatives mu mu rop sodatroc meres ,soviv sodamieug meres ,oEAs sotrom marabaca nosieN e and an air conditioner Homer forgot to screw. Anyway, Nelson told Lisa that they are both repeating temporal loops. Suddenly, he turns into Cat Homer, who leaves quickly. He then tells them that he can be broken by being good at Groundhog Day, saving the whales in Star Trek IV, saying "orange are you glad I didn't say "banana"? The "toe-toe" joke, and the case of the box office failure Edge of Tomorrow. The toys give him a funeral and decide that they should act. After being victorious, Mr. Burns accidentally breaks the machine and everyone except the real Homer, Mr. Burns and Smithers are sucked in. Bart puts the toy in the microwave and Radioactive Man melts. The Homers return, but are soon interrupted by Mr. Burns and Smithers from other dimensions. Toy Gory (parody of the Toy Story franchise). Into the Homerverse (parody of the Spider-Man: Into the Spiderverse movie series) and Be Nine, Rewind (parody of the Russian Doll). Lisa descends and Sherri and Terri tell her that the party is for losers. Lisa tells him that they tried all of these, but then CBG told her that they must use their special powers together to save each other. Homer says it's no big deal that he didn't vote. She is called to cake by Marge. Lisa says she wants to die, and then a car crosses the wall and kills her. Lisa discovers Bart, and realizes that he has become a string-pulling toy. A list shows a bit of what Trump has done in recent years (one of which was spelled wrong). Back home, Marge kisses Lisa at the same time, who has learned something very important: no day is perfect, so she just has to enjoy the day she has. The toys in the box tell him how they were tortured by Bart and there is no way to stop him. Then Bart's tree house falls on them, and they are back in Lisa's room. Marge calls and asks where the Halloween candy is. The Radioactive Man that I'm in good shape, but a Krusty the Doll explains that Bart tortures toys all the time. Homer checks the security cameras and discovers that he ate the candy. Lisa explains that Homer has broken the space continuum and homers from other dimensions come to earth. Land Open the city of Springfield is voting for the next president, and Marge is in line. Nelson grabs Lisa and says she needs to talk. This episode is considered non-canonical, and the events presented are not part of the timeline of the continuity of the series. Finally, Lisa turns nine, saying that the universe is back to normal, except that Ralph is still alive with his head in the wrong position. The homers wreak havoc in the city, eating all the food and more, while Marge has to cook for all six of them. So Nelson is glad they both didn't stay dead, but then tells her that it's annoying. Homer errs into a vending machine, and homers of other dimensions leave. Marge gives him a radioactive man figure, and when Bart leaves, he comes to life. This time Lisa Bangs on her desk and a huge piece of the roof falls on her, appearing back to Lisa's room once again. They need help from the comic book guy, who tells them that the trimmer loop is simultaneously the most ambitious and the most lazy of any f-f-i. He puts them back in the box and receives a reward for donating the toys. That night, the toys drag Bart to his house in the tree, and they wake him up. In the north of Halloween night, Homer is working late at the nuclear power plant.
